Promotion Requests!

We frequently receive requests from members and friends who have a message or information they would like to share with our Network women. The Coordinating Team is pleased to do so, but it is important that we adhere to a few guidelines:

1. the request should come from a member, or someone who has a clear connection to the group;
2. the promotion will benefit our Network women.

It is also important to bear in mind that members of the CT lead busy lives, so one week before the deadline, at least, should be allowed for the message to be shared. In cases where we feel the request has merit, but requires further discussion, it is especially important for us to have the time to make an informed decision.

Slowing Down the Pace!

With such an energetic start to the new year, we thought we'd slow the pace down this month and have a social evening enjoying each other's company and the delicious food on offer at the *Adelhaus Bio Restaurant Café* on Freiburg's *Adelhauser Platz*.

A partner company of *Regionalwert AG Freiburg*, (which you will hear more about at our September meeting!), with its sustainable and holistic concept, *Adelhaus* offers completely vegetarian, and partly vegan dishes which are 100 per cent organic. Care is taken to buy as many ingredients as possible directly from the region.

The bistro atmosphere, with a variety of seating areas including a delightful outdoor setting on the square, provides a place to unwind and enjoy delicious fresh food and a relaxing chat with your Network friends.

Karma, Dharma, Yoga ...

Most of us have come across these terms, but many of us have only a vague or limited idea of what they really mean. These concepts may seem exotic with no direct bearing on our lives. Nevertheless, they are part of the cultural heritage of one in five people on the planet: the inhabitants of India, not counting expatriate Indians. Non-Indians are also influenced by this cultural heritage of which many of us know so little.

Mark Twain once described India as "the one land that all men desire to see, and having seen once, by even a glimpse, would not give that glimpse for the shows of all the rest of the world combined."

Network member Sabina Sahni is of Indian origin and has traveled to India numerous times. Her personal observations and interactions led to a desire to gain more in-depth understanding of India's culture and traditions. This evening she will share with us some of her insights into aspects of the Indian cultural legacy which affect us all, not just those of us lucky enough to get a glimpse of it first-hand.

Restaurant: 7:30pm *Gasthaus Blume, Der Gewölbekeller*, *Unterdorf 2*, 79112 Freiburg-Opfingen

NEWS

JULY

Friday, July 19th at **6:30pm**

Welcome to the World of Golf!

Thanks to Network newcomer Jutta Naumann-Bal, we have a very special opportunity to share with you this month! As captain of Ladies' Golf, Jutta has kindly arranged for us to have a *Schnupperkurs* at the Golfclub Gütermann Gutach!

For 15€, twelve women will have the chance to enjoy training for one-and-a-half hours from an English golf pro with equipment provided. It will be a case of first come, first served, although other Network friends may wish to come along and enjoy the fresh air with a stroll around the beautiful traditional 9-hole golf course, built over 90 years ago. Or perhaps you'd simply like to join us for dinner afterwards in the cosy clubhouse built in the style of an English country house.

Whatever your choice, the golf club is conveniently located in the centre of Gutach in Elztal, 20 minutes by car north of Freiburg, where an idyllic parkland opens amidst old villas surrounded by lakes, streams and old trees. Incidentally, GGG is the only golf course in Germany which boasts an affiliated *S-Bahn* station.

Meeting Point: **6:15pm** at the clubhouse for the *Schnupperkurs* and those wishing to take a tour!

AUGUST

Here's to a wonderful summer!

The Coordinating Team will be taking a well-deserved break this month. We wish you and your family a wonderful summer, and look forward to welcoming you back for our autumn program on September 27th!

"August rushes by like desert rainfall,
A flood of frenzied upheaval,
Expected,
But still catching me unprepared.
Like a match flame
Bursting on the scene,
Heat and haze of crimson sunsets.
Like a dream
Of moon and dark barely recalled,
A moment,
Shadows caught in a blink.
Like a quick kiss;
One wishes for more
But it suddenly turns to leave,
Dragging summer away."

—Elizabeth Maua Taylor
